

January 2026

The **2026 NPEA Church Leaders Conference** is set! **April 24-25**, in Spearfish, SD, hosted once again by North Point Christian Church. The theme for this year's conference is ***"Hearing God"*** focusing on effective prayer and preparing ourselves to hear from God. Our main speaker will be **Greg Pruett**.

Greg is the President of Pioneer Bible Translators. He and his wife, Rebecca, lived in West Africa for over a decade, where they completed a translation of the entire Bible into the Yalunka language. He has authored two books, *Extreme Prayer* and *Extraordinary Hearing*. In them, He shares what he has learned along his journey concerning praying and listening to God.

Our conference will also feature Friday night worship with the North Point Praise Team, Saturday morning "Donuts and Devo" from the Psalms with Phil Claycomb (Nexus Church Planting), and a time of celebrating TWO new church plants: Venture Christian Church in Rapid City, SD and Crossroads Christian Church of Miles City, MT! Online registration will open later this month. Be sure to save the date and register soon.

As mentioned above, a new church was launched this month, Crossroads Christian Church of Miles City! Del Hamon is serving as the preaching minister and in next month's newsletter, will give us a glimpse of the first few weeks of our latest church plant. We are looking for financial partners who would be interested in partnering with NPEA in support of Crossroads. For more information, contact me at the email address below.

God's Blessings,

-Matt
