

April 2026

Dear Northern Plains Ministry Leaders,

Are you ready to move beyond the ordinary in your spiritual life and leadership? The Northern Plains Evangelical Association (NPEA) invites you to the 23rd Annual Church Leadership Conference, taking place April 24–25, 2026, in Spearfish, SD. This year's gathering is specially designed for pastors, planters, and ministry teams across the region seeking to deepen their impact in our communities.

Our theme is **Extreme Prayer**, featuring keynote speaker Greg Pruett, President of Pioneer Bible Translators and author of *Extreme Prayer: The Impossible Prayers God Promises to Answer*. Having served 12 years as a missionary in West Africa, Greg brings profound, actionable insights on how to shift from routine prayer to engaging God's "whatsoever" promises. He will challenge us to make prayer the primary strategy of our ministries, fostering a culture of dependency on God to see His glory unleashed.

The conference is a fantastic opportunity to network with fellow laborers from the Plains to the Rockies, share encouragement, and gain fresh inspiration for gospel-centered ministry. Alongside Greg, we are pleased to welcome Phil Claycomb from Nexus Church Planting, who will offer encouraging insights from the Psalms.
